

# SNARELY MISSIONS NEWSLETTER

## SUMMER 2019

What a great summer we are having back in the States to attend AGWM's Together19 in Orlando, FL, and to visit churches to raise the support necessary to stay in Brussels, Belgium, for the long-term.

The school year at Continental Theological Seminary concluded by celebrating the graduating class of 2019, the 60<sup>th</sup> anniversary of CTS, and the groundbreaking ceremony for the new kitchen and dining facilities and dorms for both men and women that will begin construction in January of 2020.

CTS is the leading Pentecostal ministry training school in Europe that is equipping students to plant churches in new areas and take the gospel to unreached people groups. Your support of our ministry allows these students to attend CTS at a minimal cost. These students are getting the training necessary to have effective ministries to the secular people of Europe, the marginalized, such as the Roma people, and to the new refugees coming from Africa and the Middle East.

CTS graduates Erandika (from Sri Lanka/Italy), Festus (Nigeria/Belgium), and Callum (England/Belgium) who were in my apologetics class this past spring.

**We are home this summer to raise the support needed to stay in Belgium for the long-term. We need an additional \$1,000 in monthly support and \$20,000 cash for the remaining two years of our first term.** If you or your church could help us reach either of these goals, **please go to our giving page at [s1.ag.org/snarely](http://s1.ag.org/snarely) to set up a recurring monthly gift or a one-time offering.**

Grandkids Hazel Jo, Braeden, and Ryder

Through The Breaking Chains Network, God is giving freedom and hope to women caught in a lifestyle of sex trafficking. Darla has shared many encouraging stories this summer of God healing, saving, and encouraging women at The Oasis center, where women come to eat a home-cooked meal, hear a gospel message, and learn life skills. Please help us pray that many others will be set free by the power of Jesus Christ.

God bless each of you for your prayers and support,  
Dr. Andréa and Darla Snarely
